**Subject:** 2008 O3 Mod DAAD - public hearing scheduled for Feb. 15

Good Afternoon,

EPA has signed a notice announcing a new date for a public hearing and reopening the public comment period for our Proposed Determinations of Attainment by the Attainment Date, Extensions of the Attainment Date and Reclassification of Several Areas Classified as Moderate for the 2008 Ozone National Ambient Air Quality Standards.

The hearing will be held on **Friday, February 15, 2019**, from 9:00 a.m. – 5:00 p.m. (local time) or up to 2 hours after the end of testimony from the last registered speaker.

The hearing will be conducted at EPA's offices in the William Jefferson Clinton East Building, 1301 Constitution Avenue NW, Washington, DC 20004, in Room 1153.

To allow as much time as possible for the public to plan for and participate in this public hearing, EPA is making information about the hearing broadly available by posting the pre-publication version of the hearing notice on the web: <https://www.epa.gov/ground-level-ozone-pollution/proposed-determinations-attainment-attainment-date-extensions>

Individuals wishing to provide spoken comment at the hearing may register to speak beginning today using [this online form](#).

Please let me know if you have any questions.
